

In these highly-competitive times,
how do you get ahead and distinguish Yourself?

iMADdu

(I make a difference, do you?)

iMADdu is a nonprofit in Fairfax, VA that provides experiences to students to empower the next generation of entrepreneurs through apprenticeship and mentorship.

Mission

To empower the next generation of entrepreneurs, iMADdu provides students with hands-on entrepreneurial experience and mentorship.

The Student Apprenticeship Program

The Student Apprenticeship Program pairs students with local organizations for a part-time 10 - 12 week apprenticeship. Students spend time learning and aiding a local organization and obtaining entrepreneurship skills with iMADdu. The program runs during the Fall, Spring, and Summer semesters.
